back

*Painting New Mexico*

*Michaela Jordan Karni* fell in love with the harsh beauty and endless spaces of New Mexico when she arrived in 1961 as a new bride. After varied careers as wife, mother, educator and writer, she surprised herself by turning to the visual arts. For the last ten years, Michaela has been painting the New Mexico landscapes she had hiked and photographed for so long.

The Oasis • 4940 Corrales Road • Sept 24-Oct 28  
Opening Reception Saturday, October 2, 2010  
3-5pm • Refreshments
